Wednesday, Oct. 7: DGP

Diagramming Practice:

**although my fair lady was eventually
made into a movie high school seniors
read the play version**

Wednesday, Oct. 7: DGP

Diagram the following sentence :

**even though beowulf was originally
written in old english most high school
students read a modern translation**

Extra Practice

- since sherlock holmes was initially killed in the original stories all english citizens protested his unhappy death
- because shakespeare's plays were always composed in iambic pentameter many modern readers dislike his writing style
- even though canterbury tales was well liked in the middle ages the author recanted this unfinished story
